With the Holidays quickly approaching, we would like to provide some reminders about the Creative Campus Programs.

The Creative Campus will be closed on Wednesday, December 25th and Wednesday, January 1st. You will receive a questionnaire from your child's teacher regarding your child's attendance during the holiday Break (December 23rd - December 31st). Please let your child's teacher know if your child will be attending so that we can staff each classroom appropriately. All students Preschool students registered at the Creative Campus are required to provide updated immunizations and flu shots annually. All documents must be submitted to Miss Phyllis no later than December 31st. Please make sure to make an appointment with your child's physician soon.
